Dear Mr. Lawton:

This letter is to reaffirm our date with you to visit the Lisbon Mine.

As soon as a firm agenda for the Board is drawn up, it will be sent to you. As the schedule for the visit looks now, the Board and associated people will arrive at the mine between 8:30 and 9:00 A.M. on March 19th. The number of people totals fourteen (14) some of these people however, might not attend the actual tour. The list of names is enclosed.

I feel the time spent on this trip will be time well spent experiencing an on-site tour of uranium mining in Southern Utah. If you have any questions please contact me.

Very truly yours,

Ronald W. Daniels,
Coordinator of Mined
Land Development
